MOORE SHOOTING,

But This Time it is In Other Counties.

All Quiet Yesterday At Empire, So Far as Heard In This City.

Madisonville, Ky., Oct. 16.—More lawlessness in the strike regions is reported, this time in both Hopkins and Webster counties. About midnight unknown persons fired about twenty shots in the vicinity of the Reinecke mines. Capt. Ellis, with two members of his detachment, chased the miscreants several miles through the woods, but they managed to escape. Capt. Ellis attributes this trouble last night to irresponsible persons who wanted to create a little excitement.

Several shots were fired into the Providence mines last night and again early this morning. No damage was done.

The union camp at Providence was fired into early this morning. Several of the men had narrow escapes, one bullet striking a tree against which one of the men was leaning.

There were no new developments at Empire yesterday and all was reported quiet.

JAP SISK WON.

Fiddled His Way to Fame at Owensboro.

The old fiddlers' contest drew a large crowd to Temple theatre Tuesday night. The contest was so novel that there was general anxiety to witness it. There were about twenty-five old fiddlers in the contest, representing the counties of Hopkins, Christian, Muhlenberg and Daviess.

La Vega Clements was master of ceremonies.

There were two individual contests. The first contest was won by T. A. Brown, of Muhlenberg county, and the second contest by J. N. Sisk, of Christian. In the contest by counties Muhlenberg won, though it was so hard to decide between it and Hopkins that the judges requested the representatives of these two counties to appear and play the second time.

There was a spirited contest between Owensboro and White Plains, but the latter won.

The contest was gotten up and managed by V. F. Randle, of Hopkinsville, and the proceeds, which are handsome, will be devoted to purposes of charity.

PARALYTIC STROKE

Causes Death of a Prominent Christian County Planter.

As a result of a recent stroke of paralysis Mr. John W. Carter, a prominent and wealthy farmer of the Oak Grove neighborhood, died about noon Tuesday. He was 52 years old and a son of the late John M. Carter.

He was senior member of the grocery firm of Carter, Lockett & Scarborough, of Clarksville, and for several years spent the winter in that place.

Mr. Carter is survived by a widow, who was Miss Jennie Holloway.

The interment took place in the family burying ground, near Elmo, Wednesday afternoon.

LOST TWO FINGERS.

Ax Flew Fifteen Feet and Cut Them Off.

Tom Steger a little thirteen years old son of Mr. J. T. Steger, of Beverly, lost three fingers of his right hand in a very unusual accident last Saturday. His father was splitting a piece of timber with an ax, and let the ax slip from his hands as he raised it over his head. The boy was fifteen feet behind his father with his hand resting on a log. The ax flew through the air and struck the boy's hand, severing the fingers. The forefinger and the one next to it were cut entirely off. The third one was badly lacerated, but Dr. E. E. Stong who was called in, succeeded in saving it.

DOCTORS DON'T KNOW

Just Why the Assassin's Bullet Proved Fatal to McKinley.

New York, Oct. 15.—The physicians and surgeons who attended President McKinley today presented to the State Medical society, in session here, a report covering the medical and surgical history of the case of the martyred statesman. Dr. Mann described the symptoms and treatment. He could not tell the cause of the president's death. The president's age, lack of exercise and weak heart were among the contributory causes.

Get the Most Out of Your Food

You don't and can't if your stomach is weak. A weak stomach does not digest all that is ordinarily taken into it. It gets tired easily, and what it fails to digest is wasted.

Among the signs of a weak stomach are nervousness after eating, fits of nervous headache, and disagreeable belching.

"I have taken Hood's Sarsaparilla at different times for stomach troubles, and a run down condition of the system, and have been greatly benefited by its use. I would not be without it in my family. I am troubled especially in summer with weak stomach and nervousness and find Hood's Sarsaparilla invaluable." E. B. Litchman, W. Chester, Pa.

Was Verdict of Jury in Monahan Case.

Many Indictments Returned This Week And Grand Jury May Adjourned Yesterday.

The jury in the case of Thos. Monahan, charged with criminal assault, returned a verdict of not guilty, and the prisoner was discharged from custody. He had been in jail here for several months.

Common law matters have been claiming the attention of the court since Tuesday.

The grand jury returned another big batch of indictments the first of the week.

Among the true bills returned was one against Jake Williams charging willful murder. The other indictments are for minor offenses mostly, such as gaming, carrying concealed deadly weapons, selling liquor without license, furnishing liquor to minor, selling liquor to minor, etc.

Rosa Stewart and Napoleon Braeber were indicted on a charge of disturbing public worship.

A bill was found against James Gresham, charging malicious cutting.

An indictment was returned, yesterday against Robert Randall, col., for murder.

GALLANT SOLDIER BOY.

Body of John McDaniel Brought Home For Interment.

The remains of John T. McDaniel are expected to arrive to day from San Francisco. He was a soldier in Co. K, 31st Infantry and died in the Philippines July 18, 1900, of dysentery. He was buried temporarily at Davao, on the island of Mindanao, and recently disinterred and the body brought home for final interment.

Mr. McDaniel was a gallant young soldier, a son of Capt. R. T. McDaniel, of this city. He was about 21 years of age.

The body was shipped from San Francisco last Friday night. As it did not arrive yesterday, it is looked for to day from the South. The final interment will be in Hopewell Cemetery.

The Court House Gang Again

Careless With Its Private Papers—Secrets Secured by Detectives.

Some of the boys have been abusing me for being careless with my last report. It seems a fusion detective got hold of my records and printed a few things that were not just ready to narrate around. But how could I know that my private records would get into the newspapers? It mystifies me to think how they got hold of them. There must be a leak somewhere in official circles.

The Ring has been worried a good deal of late because The Major, the colored organ, hasn't heard of the coming election and the fearful fix we are in. We have two bank directors on our ticket, but Arthur Banks, the colored editor, will not let them direct him. It seems we hurt his feelings last summer when we were forced to run our rock crusher over him and Esq. Bill Long, in order, to take care of Tom Williamson.

Dave Smith continues to give us a world of trouble. We sent one of the boys out not long ago to circulate a story that Smith carried the turnpike question by failing to sign the certificate in the precinct in which he was an officer of the election last year. As we are hard up for votes in the North, we thought he'd fool a few anti turnpike men, but Smith was too wide awake for us. It took him less than two days to find out all about it and he very promptly proved that John Prowse sent out incomplete certificates to all the precincts and that the officers signed everything Prowse had printed in the poll books. Smith even went further and proved that Prowse failed to send for the missing returns after the election board had adjourned two days and requested him by formal resolution to get the complete certificates, retained by the officers for their own use, and it furnished his office a list of the missing precincts. And that wasn't all. He showed that John Feland was present during the count as attorney for the turnpike lie. He not only nailed our lie, but put two of our main hands to walking the floor.

By-the-way, John Feland has never been able to explain to Mr. Frank Cox, of Gracy, how he came to lose interest in his race for postmaster last summer while representing him as attorney. John is pretty slick, but I am afraid he has slipped up in his own grease in that Gracy affair.

Claude Clark is not showing the forgiving disposition that Bud Golas is. Claude can't be got on the stump for love nor money. We have exhausted every resource and he is still putting in his entire time selling groceries, when he might be helping us break up fusion meetings and windjamming at so much per jam. I believe he is going to stand by and see us all swept over.

the rapids without even throwing a life preserver. He doesn't seem to realize that he ought not to have tried to get John Prowse's office until John got through with it.

Matt Jones worked a mean trick on us at Newstead last Monday night. He let the Fusionists hold a big meeting in his tobacco factory and as it was private property we were afraid to break up the meeting while the grand jury was in session.

A new poll will be made at Gainesville to-morrow to see who will get the most colored votes Judge Winfree or Will Fowler. It will be done to settle a bet.

I wish the confusion committee would make Lucian P'Pool cut off those red whiskers of his. Every time he comes to town those whiskers act on John Prowse like a red rag on a mad bull. Even the sublime confidence of Jim Rogers, who insists that our majority will be 2,000, can hardly keep John's nerves from going to pieces when he sees P'Pool taking things so easy.

We are not saying much about it, but we are having a hard time to secure speakers among the colored orators this season. Wyatt, Watt and Bob Lander are the only ones we have to rely on and Wyatt is just in from making a confusion argument at Pembroke and Bob is so uncertain that Curt Brasher was afraid to trust him as an election officer this year, just as John Feland was in 1899 when he kicked against Bob Lander and the other "nigger officers" appointed by the Democrats on the election board.

Our greatest political orator, Hiram Smith, the "Black Demos-the-nos," who has been our strongest drawing card in every contest for years, is not straining his voice this year and when we sent a committee to find out what was the matter he said his throat was sore. We need Hiram like the Texan needed a pistol. I am afraid he has lapsed into what Grover Cleveland used to call "innocuous desuetude" and that his throat is not really sore to hurt.

And now Bill Fowler has gone and Jonathan the ticket. In 1890 Dennis Perry beat Dr. Lillard, the colored Republican nominee for assessor, and the Fowler family supported him so loyally that Dennis is going to vote for Will this year. And would you believe it, Will tore the other day by having Dennis to travel over Lantrip's precinct with him and tell Democrats that he was for Will because Will's pa helped him beat a nigger in 1890? And just to think there are 3,500 negroes in Christian county whose votes Will can't do without. My! my! But Will is so young and inexperienced that the colored voters may overlook the break. Otherwise his name is Dennis.

Things are looking better for us this week. Will Fowler and Bob Lander spoke to an enthusiastic crowd of six voters and two little boys at White-Oak Grove Tuesday night and the same night Wyatt Watt, John Boyd and Lem Davis had a crowd of twelve at Newstead.

Judge Winfree notified John Feland the day last week that he had decided not to have any more private fusion meetings broken up and asked John to see the rest of us and promulgate his decision. We had intended to break up one at West Union Colored church Tuesday night, as raising Cain in colored churches is our "long suit." We couldn't get John Feland to go with us after Judge Winfree's little talk, but we broke it up all the same. We fixed it so the confusionists couldn't get the church.

The fusion candidates are down in Lantrip's this week and unless something is done to stop the stampede I am afraid by the time they pack all our gang except Jim Rogers will be sick and ready to withdraw. Jim dies harder than any of them.

In Memoriam.

Resolutions of respect adopted by West Union Baptist Church and Sunday School Sept. 22nd, 1901, on the death of Miss Laura Blakeley. Whereas, God in His infinite wisdom has called our dearly beloved sister, Miss Laura Blakeley, on August 27th, 1901, from her very useful life. Therefore be it

First Resolved, that in her death, seemingly untimely, the church has lost a most loved and useful member, whose heart and hands were ever ready for the work of the Master; the Sunday School one of its most faithful scholars, whose gentleness of manner will be so much missed; the community a pure and noble lady, one who was always contending for the right, yet ever kind and cheerful.

Second Resolved, that though we feel the hand of Providence is laid heavily upon us, and our loss is irreparable, we bow in humble submission to the will of an all-wise God, and try to emulate her Christian life and example.

Third Resolved, that we as a church and Sunday School tender our sympathies to her grief-stricken family, and pray God to give them grace to bear this deep affliction, ready to say,

"And My Father, purpose this one."

"Thine not my will, ever be done."

Fourth Resolved, that a copy of these resolutions be spread on the church book sacred to her memory, and copy sent to the family, and also be published in the Hopkinsville Kentuckian. (Signed)

H. C. MCNEHE,
Mrs. P. T. ROBERTS

CURED OF ASTHMA

After Seventy-Five Years of Suffering.

It will be gratifying to Asthmatic readers to learn that an absolute cure has at last been discovered by Dr. Rudolph Schiffman. That the remedy is an effective one cannot be doubted after perusal of such testimony as that of C. W. Van Antwerp, Fulton, N. Y., who says: "Your remedy, (Schiffman's Asthma Cure) is the best I ever used. I bought a package of our drug and tried it and one box entirely cured me of asthma, and I have not had it since. I can now go to bed and sleep all night with perfect comfort, which I have not done before for 35 years and I thank you for the health that I now enjoy. I hope that you will publish this letter, so that others may learn of its wonderful virtues."

Death Penalty Restored.
The death penalty for murder has been restored in Colorado and in both States the imprisonment in life experiment resulted in largely increased list of homicides. There are now only four States in which the death penalty is not inflicted—Wisconsin, Michigan, Maine and Rhode Island.

Robbers Make a Big Haul at Tyro, O.

Tyro, O., Oct. 15.—The vault of Farmers' and Citizens' Bank, a small town near here, was wrecked early this morning by robbers, who secured the cash and contents. It is said the bank contained \$40,000. The cracks are truly terrible.

CUPID ACTIVE.

Many Fall Weddings This Week And More to Follow.

The Tandy-Long Nuptials Wednesday Evening a Quiet But Pretty Home Wedding.

Dr. Charles Henry Tandy, a prominent young dentist, and Miss Henrietta Long, were married at 8:30 o'clock Wednesday evening, at the home of the bride's father, Mr. Geo. C. Long, President of the First National Bank, on South Virginia Street. The wedding was a quiet home affair, but a social event of unusual interest. The bride is a member of the "As You Like It Club," and only the members of this social organization and the near relatives and very intimate friends of the contracting parties were present.

The pious parlors were elaborately decorated with cut flowers, ferns and potted plants.

The ceremony was performed in the northeast corner of the main parlor, in which was arranged an arch of smilax.

The approach of the bridal couple was heralded by two little girls, Katherine Long and Addie Green, who unwound white ribbons as they walked in, forming an aisle. The ribbons were held by two other little girls, Mary Clark and Agnes Flack, who stopped in the doorway. The bride's maid of honor was Miss Annie Long, her younger sister, who preceded the couple clad in pink and carrying in her hand a bouquet of Bridemaid roses.

The bride was attired in white Paris muslin, and point lace. She carried Bride roses and wore a bridal veil. The groom was in evening dress.

The ceremony was performed by Eld. H. D. Smith, pastor of the Christian Church, in his usual appropriate and graceful style.

Following the ceremony, dainty refreshments were served.

Dr. and Mrs. Tandy left on the 9:45 north-bound train on a bridal tour to the Eastern cities.

They will return in ten days and be at home at Mr. A. H. Eckles' where they will board.

MEDLEY-BAKER.

Popular Dentist and Inventor Weds a Juilen Belle.

Dr. G. E. Medley, of Gracey, and Miss Ora Baker, of Julien, were married in Nashville, Tenn., Wednesday morning, at 10 o'clock. The marriage occurred at the Maxwell House, Rev. John O. Rust officiating.

It was not an elopement, as the bride's mother, Mrs. Julia Baker, and other relatives and friends accompanied the bridal party. Among these were Miss Bertha Baker, the bride's sister, Miss Mary Nance and Mr. Lester West.

Dr. and Mrs. Medley, after lunch at the Maxwell, departed for Louisville, where Dr. Medley will locate for the present. In December they will go to Florida to spend a portion of the winter.

Dr. Medley formerly practiced dentistry in this city, but since his invention of the celebrated "Medley Peel," has derived handsome royalties from this invention and has not given all of his time to his profession. Recently he has spent several months at Gracey.

The bride is a charming little brunette, pretty, accomplished and vivacious. She has been a reigning belle since her education was completed two or three years ago.

BEASLEY-MILLER.

Popular People Entered the Matrimonial State Tuesday.

Mr. Oscar Beasley, of Auburn, Ill., and Miss Eva Miller, of Madisonville, were married in Nashville Tuesday. They were accompanied by Mr. J. Percy Miller, brother of the bride, and Mrs. John T. Waller, of this city. The couple left on an extended bridal tour to Buffalo and points in Canada. The groom is a prosperous banker and his bride is one of Madisonville's fairest daughters.

MISS FLORENCE McCALL.

Weds Mr. Robt. Parks, of Chicago, at Owensboro.

HIT ON THE HEAD.

A Grand Jury Knocked Senseless Near Beverly.

Judge Thomas E. Booker, a member of the Christian county grand jury, who lives in the neighborhood of Beverly, was waylaid Monday night as he was returning home shortly after dark.

As he was driving along the public road in a surrey, some one threw a stone from the roadside and struck him on the head.

He was knocked almost senseless and only remembers that his horse quickened his speed and the man gave pursuit for some distance. Before the horse reached his home, a quarter of a mile distant, Mr. Booker lost consciousness and did not recover for three hours after being taken from his vehicle. He was kept from falling out by the curtain on one side.

His injuries, which were attended to by Dr. J. E. Stone, were not serious and he was able to be in the grand jury room the next day. No motive is known except that the grand jury has been finding many indictments—against law breakers.

DAVID SMITH.

Democratic Fusion Candidate For County Assessor.

A Successful Business Man Who Is Making a Winning Race.

There is no more important office in Christian county than that of assessor. But few counties in Kentucky have more property to assess than Christian. No county has a greater diversity of resources, ranging all the way from railroads to coal mines and from town lots to farming lands rich and poor. It is important that this responsible office be filled by a man of brains and business qualifications, a man who has made a success of his own business and who has a correct appreciation of the value of property of all kinds.

Such a man is David Smith, the nominee for assessor on the Democratic Fusion ticket. For twelve years he has been a successful merchant at Fruit Hill, in the Bluff Spring district, and in that time he has built up a good business and made for himself a wide circle of friends in all parties. His neighbors know him and trust him as a man of upright character and a spirit of fairness in all his dealings.

Mr. Smith is 41 years of age and is a native of Hopkinsville, Ky. He has always been a Democrat and is at present a member of the Democratic county committee. In 1897 he was the Democratic nominee for magistrate in his district, and succeeded in greatly reducing the Republican majority.

He was not a candidate for office at the time he was selected to take a place on the reform ticket, but was induced to accept the trust and is proving to be one of the strongest men on the ticket. He is adding strength to it in all of the northern districts of the county and is making new friends wherever he goes. His election is almost assured and he possesses the elements of fitness that will make him one of the most popular and efficient officers the county has ever had.

PERUNA CURES CATARRH OF KIDNEYS EVERY TIME!

DANGEROUS KIDNEY DISEASES CURED

Peruna Creating a National Sensation in the Cure of Chronic Afflictions of the Kidneys.

Mr. John Vance, of Hartford City, Ind., says: "My kidney trouble is much better. I have improved so much that everybody wants to know what medicine I am using. I recommend Peruna to everybody and some have connected to use it. The folks all say that if Dr. Hartman's medicine cures me it must be great."

Mr. J. Burke, of Petrolia, Ontario, Canada, writes: "Four years ago I had a severe attack of Bright's Disease, which brought me so low that the doctor said nothing more could be done for me. I began to take Peruna and Manilla, and in three months I was a well man, and have continued so ever since."

At the appearance of the first symptoms of kidney trouble, Peruna should be taken. This remedy strikes at the very root of the disease. It at once relieves the most distressing of the stagnant blood, preventing the escape of

serum from the blood. Peruna stimulates the kidneys to excrete from the blood the poison, and thus prevents the convulsions which are sure to follow if the poisons are allowed to remain. It gives great vigor to the heart's action and digestive system, both of which are apt to fall rapidly in this disease.

Peruna cures catarrh of the kidneys simply because it cures catarrh wherever located.

A book on catarrh, written by Dr. Hartman, will be sent free to any address by The Peruna Medicine Co., Columbus, Ohio.

It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. R. C. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." The remedy owes its great popularity and extensive sale to a large measure to the personal recommendations of people who have been cured by its use. It is for sale by all druggists.

Mr. Croft Worse.

A telephone message from Croft yesterday afternoon conveyed the information that Mr. J. E. Croft was much worse and his death was expected at any time.

Came Near Dying.

"For three days and nights I suffered agony untold from an attack of cholera morbus brought on by eating cucumbers," says M. E. Lowther, clerk of the district court, Centerville, Iowa. "I thought I should surely die, and tried a dozen different medicines but all to no purpose. I sent for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and three doses relieved me entirely. I went to sleep and did not awake for eight hours. On awakening a few hours ago I felt so gratified that the work I do on going to the office is to write to the manufacturers of this remedy and offer them my grateful thanks and say, 'God bless you and the apostle said, you make.' This remedy is for sale by all druggists."

Pupil's Recital.

Invitations are out for a pupillage recital at South Kentucky College at 8 o'clock this evening.

When you cannot sleep for coughing, it is hardly necessary that you should tell you that you need a few doses of Chamberlain's Cough Remedy to allay the irritation of the throat, and make sleep possible. It is good. Try it. For sale by all druggists.

DEAD IN HIS TRACKS.

John Ford, a Hotel Waiter,
Killed Wednesday Evening.

Robert Randolph, Another Negro
Boy His Slayer—Case Being
Investigated.

John Ford, a young colored youth, about 20 years old, a waiter in the Phoenix Hotel, was shot and instantly killed in the kitchen of the hotel about 7 o'clock Wednesday evening.

The killing was done by Robert Randolph, another negro about the same age. The Randolph boy had a pistol in his pocket and a short while before appeared at the window and pointed it at Ford. The latter dodged and got out of sight. Randolph walked on up the street, but soon returned and got in at the kitchen window, which is on the pavement. Ford was washing dishes and cleaning silverware at the kitchen table.

Randolph still had the pistol in his hand and same one told him to put it up and not be fooling with it in the kitchen, or some one would get hurt. Randolph remarked that he had taken the loads out of the pistol and wanted to fool Ford. He then turned to Ford and fired the pistol, the bullet entering Ford's neck, who fell dead in the kitchen.

Randolph exclaimed "Oh have I killed him? What must I do?" Getting out on the street he went moaning up the street to a place on Nineteenth street, where he was arrested at midnight and placed in the lockup.

County Judge Cassler, in the absence of the Coroner, held an inquest at 8 o'clock, after which the body was removed. The verdict of the jury was that the killing was done with murderous intent. The grand jury being in session at once took up the investigation of the matter.

PRINCETON PRESBYTERY.

The Next Meeting Will Be Held
At Sturgis, Ky.

The Princeton Presbytery of the C. P. church held its fall session at Bayco Creek, in Livingston Co., October 8th to 10th.

The opening sermon was preached by Rev. H. C. Temple, of Princeton, Ky.

There were fourteen congregations represented and eight ordained ministers present. The sermons during the presbytery were of a high order and full of spiritual power. Tuesday was spent in the Elder's and Deacon's Association. The discussion was on the subject of giving to the Lord and was full of interest. Wednesday afternoon was spent in an interesting Sunday School Institute.

The Stated Clerk reported that one of our ministers, Rev. James Wilson, of Madisonville, had died since the last presbytery. Rev. E. C. Leeper was ordained to the full work of the ministry. An earnest appeal was made to the churches to support our worn-out ministers and their families through the Board of Ministerial Relief. Solicitors are to be appointed in every congregation to try to raise \$300 annually for the education of the young men of the Presbytery.

Quite a number of churches were censured for not sending up their church books to be examined. Temperance and the observance of the Sabbath were emphasized in very strong terms. The members were urged to take our church paper and to buy and read same, at least, of our many good books.

The mission work was emphasized and the first week in November beginning with the first Sunday was set apart as a week of self-denial and prayer for foreign missions. A committee was appointed to hold Sunday-school conventions and institutes and a reading course for Sunday-school teachers was ordered to be printed in the minutes. The next meeting of Presbytery will be held at Sturgis, in Union county.

THOS. H. MAJOR.

Address to the Voters of Longview District.

TO THE VOTERS OF LONGVIEW MAGISTERIAL DISTRICT, No 4, CHRISTIAN COUNTY, KY:

Being impossible to see all the voters of the District, I take this method of reaching them and asking their support for re-election to the office of Magistrate, having been solicited by many of my fellow-citizens, irrespective of party, to allow the use of my name for said place. Should I be re-elected I shall serve you faithfully, looking ever to the interests of my native county. My paternal and maternal ancestors were among the first settlers of the county a hundred years ago, when it was a wilderness. Bound to me by hooks of steel because of these ties, I naturally feel a deep interest in the county's welfare. The issue, as I see it in this campaign for county officers, is the people against Rings, Combines and Bossism. But enough of a thing is enough. I have nothing personal against the combine Ring Ticket. They, many of them, have manipulated to hold the offices of the county for a number of years. Should their methods prevail they will continue to hold them at will. I take it that no voter, knowing their methods and having at heart the welfare of the county, can indorse their course.

Believing in Republican principles, I shall use all honorable means in my power to elect the Fusion Ticket, it being composed of honorable, competent men.

Can You Afford To?

Can you afford to experiment with unknown and untried brands of Fertilizers, when you can get right here, what you know to be good? Soils are of great variety, what suits your farm may not be adapted to your neighbor's. Experimenting may mean the loss of a crop, as well as the amount invested in Fertilizers. Every farmer knows Armour and Homestead, Eagle and Ox-Brand Fertilizers. They are no experiment. **Its Time to Put in Your Order Now** if you want it to come forward with shipments for Early Fall seeding.
